David Cassady : Parasite Eve : Official Strategy Guide- The Only Official Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Parasite Eve : Official Strategy Guide- The Only Official Guide:

0 of 0 people found the following review helpful. very nice book couldn't be more satisfied thank you. By michael cheslock Great buy fast shipping very happy with this purchase thanks again. 0 of 0 people found the following review helpful. Awesome!!! By Samantha McAuliffe Helped me a lot and beat the game in a way I never thought I could! 0 of 0 people found the following review helpful. I finish the game. By Yo This guide is really complete and works very well, the maps are clear and are really easy to use. The guide become with EX game maps and boss strategies, really nice advises and explain all the items and powers.

BradyGames strategy guide includes maps for every mission. Complete list of items, weapons and enemies. Detailed walkthrough revealing all the secret areas and Boss strategy. Special chapters on how to combine weapons and armor to create -BradyGames strategy guide will include maps for every mission -Complete list of items, weapons and enemies -Detailed walkthrough revealing all the secret areas and Boss strategy -Special chapters on how to combine weapons and armor to create powerful items

.com Watch TV at all, ever? Then you've probably seen the commercials for Parasite Eve. This epic PlayStation title looks more like a movie than a video game and seems certain to become another instant classic from SquareSoft. BradyGames's guide to the game can help you make your way through the complex story and gameplay of Parasite Eve. The book opens with a quick tutorial for new players, covering such topics as exploration, inventory management, and weapon capabilities. Complete walkthroughs are provided for each level, along with screen shots and maps to illustrate key points. A full bestiary is included to provide info on each of the game's many creatures. Also, at the back of the book you'll find a guide to the game's spectacular cinematic sequences, as well as the lyrics to the game's final song (hey, we're sure someone wants to know). --Michael Ryan
