Pick up your colored pencils or pens and transform yourself into the artist you've dreamed of being. Paris: A Coloring Book features more than eighty iconic scenes from the City of Light, ready to be colored including the Jardin des Plantes, Place de la Concorde, the Eiffel Tower, and the Louvre. The illustrations by Isy Ochoa feature a lighthearted, whimsical style and minute details, allowing endless opportunities to add a personal touch of color to the scene. The relaxing, meditative practice of coloring is the perfect way to de-stress, and no city but Paris provides as many lovely views for romantic and creative types.
