The time has come to claim your prize from the Free Captains' Regatta: the supposedly uninhabited Island of Empty Eyes. The ruins prove to be a bit more inhabited and dangerous than they might have first appeared. In the Pathfinder Adventure Card Game: Island of Empty Eyes Adventure Deck, you must tame the island, throw a rollicking feast, and gain seats on the Pirate Council. This 110-card expansion includes new, rare loot cards and five new scenarios that make up the complete Island of Empty Eyes adventure, along with new monsters, locations, villains, and more. Price
