**Jason A. Engle : Pathfinder Flip-Mat: Bigger Tavern** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pathfinder Flip-Mat: Bigger Tavern:

They are all very high quality. The paper that they are printed on is incredibly thick and rugged. We play DD on our yacht while sailing around the Caribbean and even in the hot humid environment these look like they will last for years. We are very pleased with these maps, they are a real benefit to our games and make my job as DM so much easier. We have a printer on board so could download (or create from scratch) and print our own maps, but why bother. These maps are such a great quality that it would be a waste of my time to try and do it myself. I will be purchasing (many) more. The Bigger Tavern is 9" longer than most Pathfinder Flip Mats. One side is an exterior view while the other side shows interior view of a large tavern (50'x70') with a stable (35'x60'), a 12 room Inn (40'x100'), and more. This is not your typical roadside inn, this is a major stopping point along a well traveled highway. 0 of 0 people found the following review

helpful. Great product, good graphics and good quality. By A. Jones Great product, good graphics and good quality. Much better with detail than I can draw using dry erase. 2 of 2 people found the following review helpful. HUUUUGE Tavern! By Derpokermeister HUUUUGE Tavern! One side shows the buildings with the roofs on, the other side is a cutaway with roofs off showing the interior. This tavern is really a mini complex with a stable and blacksmith buildings as well. Why only four stars? There is no outhouse or bathroom anywhere despite having bed space for a couple dozen people not to mention the huge bar area. If anyone from Paizo reads these reviews, please remember the potty area, it's a great place to ambush someone, especially if they usually wear armor!

There's room for everyone at the bar with Pathfinder Flip-Mat: Bigger Tavern. With an area that's a whole 45% larger than most Pathfinder Flip-Mats, Game Masters can have bigger encounters than ever before! Each side of this massive gaming accessory presents a unique tavern ready to be used in any fantasy campaign. Don't feel like you need to constrain your adventure. With Pathfinder Flip-Mat: Bigger Tavern there's a seat for everyone! Fully laid out, Flip-Mat: Bigger Tavern measures 27 by 39 inches, but folds down to a convenient and portable 8 by 10 inches easy enough to toss into your bag for the game! Its coated surface can handle any dry erase, wet erase, or even permanent marker. Usable by experienced GMs and novices alike, Pathfinder Flip-Mats fit perfectly into any Game Master's arsenal!
