Single-Sided Map! Don't be Fooled By Nathanael Henry I have bought SO many flip-mats and was ecstatic to see Paizo re-release the ones I missed. All the mats I have bought have been beautiful, detailed, and double-sided so it feels I have an amazing variety of settings to choose from. The two mats I have never considered are the "basic terrain" maps, because if I wanted a featureless plain I'd just tell my players to "use their imaginations," so imagine my surprise when, instead of getting a pair of taverns, as with the Urban Tavern and Seedy Tavern maps, I got a Tavern and a FIELD. It seemed like a cop-out, and sorta cheap. 0 of 1 people found the following review helpful. Five Stars By KatanaEdge316 Good.

Hoist a tankard! Allies, opponents, and mysterious strangers all gather in the tavern, where the rumors flow as easily

as the ale. Whether your players are on the trail of a dirty thief or just looking for a fight, Flip-Mat Classics: Tavern is a perfect setting for any adventure! This portable, affordable map measures 24" x 30" unfolded, and 8" x 10" folded. Its coated surface can handle any dry erase, wet erase, or even permanent marker. Usable by experienced GMs and novices alike, Pathfinder Flip-Mats fit perfectly into any Game Masters arsenal! The worlds most popular Flip-Mats roar back into print with Flip-Mat Classics! Why take the time to sketch out ugly scenery on a smudgy plastic mat when dynamic encounters and easy clean-up are just a Flip away?
