Jason A. Engle : Pathfinder Map Pack: Slum Quarter Alleys before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pathfinder Map Pack: Slum Quarter Alleys:

expecting to use these with my collection of Dungeon Tiles. Alas, these are very pretty but they are printed on cardstock. This makes them rather difficult to use exactly, and the design of them being confined to a 5x7 sheet means there isn't much continuous building arrangements, or open ends except on the streets. Which this is nice, it does limit what I can do with them. I don't regret the purchase, but I am going to need to do some more work to get the most use out of them.

Skulk about the most treacherous warrens of the city! Pathfinder Map Pack: Slum Quarter Alleys contains 18 full-color 5 x 8-inch map tiles, stunningly crafted by cartographer Jason A. Engle, that combine to create a maze of allies in the most run-down and dangerous part of the city. These alleys can expand the labyrinth of shanties and dead ends found in the recently released Pathfinder Flip-Mat: Slum Quarter. Suitable for experienced GMs and novices alike, this product fits perfectly into any Game Masters arsenal. Wet, dry, and permanent markers erase from the tiles! With revised packaging that includes a reusable box for easy storage, Map Packs have never been so useful! Price Includes VAT
