These bases hold the pawns upright, like paper doll stands. *** If you are a dungeonmaster or gamemaster and run roleplaying

games, the Pathfinder pawn assortments sold here on and at game stores, are great, but you can usually use more stands. This product of only the stands, is supplement to any of the other boxes. (The pawns come with only a few stands generally, in some cases they come with none).1 of 1 people found the following review helpful. Great base plates!By Robert/Rachel GrimmerI am running a Skull and Shackles Adventure Path for some friends. A friend sent me the pawn set for the campaign as a gift, but it didn't come with any bases. Thus why I purchased this. There's a good selection of bases in this. I would have preferred more medium bases, since most of the PC's don't have their own mini. The amount that they provide runs low kind quickly if you're running larger battles.0 of 0 people found the following review helpful. perfect for the their pawnsBy seanexactly as shown, perfect for the their pawns, and custom inserts, definitely helps out since some of the pawn box sets dont carry the large bases. but now that i know i can get these i'll be buying pack probably with each box set, makes it fun for the players when you can throw down a couple dozen monsters, look them dead in the eye and say, "So, what do you want to do?"

Back to bases! Make your heroes and monsters stand at attention with this collection of sturdy Pathfinder Pawns bases. Designed for use with the Pathfinder Roleplaying Game, this set includes 17 plastic bases10 Medium bases, 5 Large bases, and 2 Huge basesand are perfectly sized for battles on Pathfinder Flip-Mats, Map Packs, or other gridded game mats. With the Pathfinder Pawns Base Assortment, flood the battlefield with all the creatures your game demands!Price Includes VAT
