UsalisIf you are a fan of Charlie Brown, Snoopy and the rest of the Peanuts gang, this book is a wondrous adventure into the minds of artists who each provide their own take on Charles M. Schultz's characters. This is such a fun read. I especially enjoyed it since one of the contributors Jimmy Gownley was born and raised only a few miles from where I was born and raised, and now happen to live in his hometown of Girardville in Northeastern Pennsylvania. Again, the book is something for the casual and diehard Peanuts fan!!!0 of 0 people found the following review helpful. Five StarsBy Simone Midori YamamotoLove the book :)
