**Pearl Jam : Pearl Jam Twenty** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pearl Jam Twenty:

0 of 0 people found the following review helpful. Five Stars By OC/1251 This is a must have for any Pearl Jam fan! 0 of 0 people found the following review helpful. Rockin' in the Free World! By spunkerd Pearl Jam 20 book is an incredible and most comprehensive book about Pearl Jam I have ever read and has given me more appreciation for the band members and their music - and I am a die hard fan! The book chronicles the formation of the band from the inception of Green River to the present. The best part of the book is that there are so many quotes that it feels like you are backstage and the band is reminiscing with you telling you their personal journeys in their own words. The sections about each individual album are so insightful. The pictures are amazing many from their personal collections. If you are a die hard fan you will appreciate all the work that Cameron Crowe went into making this book. Even if you think you know everything about Pearl Jam you will find something you did not know when you read this book. It is an essential for anybody who is a fan and also for those who are just discovering the world of Pearl Jam! 0 of 0 people found the following review helpful. Five Stars By Michael Must have for Pearl Jam fans...

Published in celebration of Pearl Jams twentieth anniversary and in conjunction with Cameron Crowes definitive film, Pearl Jam Twenty is the unprecedented, and lavishly illustrated portrait of one of the worlds most influential and successful bands. Published in celebration of Pearl Jams twentieth anniversary and in conjunction with Cameron Crowes definitive documentary film and soundtrack of the same name, Pearl Jam Twenty is an aesthetically stunning and definitive chronicle of their two decades as a band by the band itself. In 1991, Pearl Jams debut album, Ten catapulted the little-known Seattle-based band into superstardom. Then, at the height of their popularity, the band shunned the spotlight, refusing to shoot videos or do interviews. Even as Pearl Jams studio albums continued to be critically acclaimed and commercially successful, selling over sixty million albums worldwide, the inner workings of the band their day-to-day routines, influences, and motivations remained unknown even to their diehard fans. Twenty years later, this is their story. Pearl Jam Twenty is a treasure trove of behind-the-scenes anecdotes, rare archival memorabilia, and the bands personal photos, tour notes, and drawings. Told with wit and insight in the band members own words, and assembled by veteran music writer Jonathan Cohen with Mark Wilkerson and including a foreword by Cameron Crowe along with original interviews with legends and contemporaries like Bruce Springsteen, Neil Young, and Dave Grohl this intimate work provides an in-depth look at a group of musicians who through defying convention established themselves as the greatest American rock band ever (USA TODAY Readers Poll 2005).

.com The Songs that Inspired Pearl Jam Pearl Jam's Jeff Ament and Stone Gossard share the songs that have influenced their lives and music, ranging from the Sex Pistols No Feelings to George Michaels Father Figure to Simon and Garfunkels The Sound of Silence. Listen to their playlists. Jeff Ament's Playlist "The Sound of Silence" by Simon Garfunkel "Proud Mary" by Creedence Clearwater Revival "Black Sabbath" by Black Sabbath "Heaven Tonight" by Cheap Trick "Fame" by David Bowie "No Class" by Motorhead "Gimme Gimme Gimme" by Black Flag "Mountain Song" by Jane's Addiction "That Time of Night" by Marillion "Sisitizo la Amani Duniani" by Hukwe Zawose Stone Gossard's Playlist "Love is Alive" by Gary Wright "No Feelings" by Sex Pistols "Precious" by Pretenders "Relax" by Frankie Goes to Hollywood "Father Figure" by George Michael "You Dropped a Bomb on Me" by Gap Band "How You Like Me Now" by The Heavy "I'm Every Woman" by Chaka Khan "Punch Up at a Wedding" by Radiohead "Not Dark Yet" by Bob Dylan Essential . . . Pearl Jams autobiographical account is one of few that focus on music rather than substance abuse. . . . Attests to their unwavering connection to their music and their ability to prevent fame from overshadowing art. Library Journal (starred review) This is a remarkable account of a career . . . No small achievement . . . This book will satisfy casual listeners as well as obsessives. Publishers Weekly (starred review) A fun, photo-filled day-in-the-life chronicle of one of Americas hardest-working rock bands . . . Whether or not readers are fans of the band, the books coverage of the Seattle grunge explosion during the early 90s is impressive. Kirkus sTheres only three other bands on the planet that have the talent and the mystique to change the world with music. Radiohead, R.E.M., and Pearl Jam. Bono The greatest American rock band ever. USA Today Readers Poll (2005) About the Author Pearl Jam is an American rock band that formed in Seattle, Washington, in 1991. Frontman Eddie Vedder is joined by Jeff Ament (bass), Mike McCready (guitar), Stone Gossard (guitar), and Matt Cameron (drums). Since its inception, the band has sold more than 30 million records in the US and an estimated 60 million worldwide. Throughout its career, Pearl Jam has been recognized globally for its deep commitment to social justice.
