It was fantastic spending only \$30 rather than the \$120 those resellers were demanding. If you like Persona 3 get this book. Everything in it is gorgeous and beautifully printed on high quality paper. 1 of 1 people found the following review helpful. While I would have loved to see some artwork

from Persona 3 Portable as well, I know the original Japanese book was made prior to the Portable version. 2 of 2 people found the following review helpful. If you're a fan of Persona or MegaTen series By Chocobo Featuring a ton of concept art and character designs by Shigenori Soejima and lengthy commentaries by Katsura Hashino, it's a great addition to any geeky collection :) It's a great addition to my bookshelf.

Featuring the character designs of Shigenori Soejima! Go behind the scenes of Persona 3, one of the most unique and respected RPG's ever. Inside you'll find character designs, rough sketches, storyboards, backgrounds and settings, an exclusive interview with the game's creators, and more!
