The only thing that I was somewhat disappointed about was how short it was, but it was still a good quality manga nonetheless.This manga covers the opening act of the game and ends on the rooftop scene.0 of 0 people found the following review helpful. MeatBy TansquidIt adds so much meat to the original story, it's fantastic. The only potential issue I see is that it's not in chronological order, so if you haven't played the game you'll end up confused. I really hope they localize all volumes.0 of 0 people found the following review helpful. Five StarsBy Dino BielGot this for a friend and he

absolutely loves it!

Following a string of mysterious murders, transfer student Soji Seta and his new friends have followed the legend of the Midnight Channel and found themselves pulled into another dimension! In this twisted TV world, a persons innermost secrets materialize as a Shadow an entity that may become a powerful ally, or something much worse... Based on the popular Persona 4 video game!
