But there is a lot of useful information in the book, so I can recommend it. For the \$4 I spent this was a pretty good deal.0 of 0 people found the following review helpful. Fun read; good insightsBy ReefAceI liked the book cuz for me it was fun to read the bad-boy's words. He actually is likable and even at times humble in the book. I only gave it 3 stars though because I would have liked to see more technical advice and more emphasis on no limit.0 of 0 people found the following review helpful. Good bookBy

CAS239Bought as a gift for my father who's a big poker player and he enjoyed it.

In *Play Poker Like the Pros*, poker master Phil Hellmuth, Jr., demonstrates exactly how to play and win -- even if you have never picked up a deck of cards -- the modern games of poker, including: Texas Hold'em, Omaha, Seven-Card Stud, and Razz. Phil Hellmuth, Jr., a seven-time World Champion of Poker, presents his tournament-tested strategies to beat any type of player, including: The Jackal (crazy and unpredictable) The Elephant (plays too many hands) The Mouse (plays very conservatively) The Lion (skilled and tough to beat) *Play Poker Like the Pros* begins by laying out the rules and set-up of each game and then moves on to easy-to-follow basic and advanced strategies. Hellmuth teaches exactly which hands to play, when to bluff, when to raise, and when to fold. In addition Hellmuth provides techniques for reading other players and staying cool under pressure. There are also special chapters on how to beat online poker games and an inside look at tournament play.
