From Brand: Pictoplasma : PicTarot before purchasing it in order to gage whether or not it would be worth my time, and all praised PicTarot:

3 of 5 people found the following review helpful. cute trumps....By *Auntie L*too bad they didn't bother to illustrate the pip cards, especially since the style of these cards is so simple. With many excellent artists out there taking the time to create a full deck, it's a shame this un-named artist didn't.0 of 0 people found the following review helpful. I

was expecting moreBy M. T. CrenshawI am very much into illustration and tarots, so I thought that a bunch of international artists would make an awesome tarot. It turns out that only the Major Arcana plus the Queens, Kings and Knights are illustrated. The rest of the deck being just the usual plain poker cards. It would have taken little effort to illustrate the whole deck and make of this deck something unique. The booklet that comes with the deck, despite its size, it is quite good and fun. I would recommend this deck to players of cards more than to tarot lovers, or just if you collect the decks for the artwork.0 of 0 people found the following review helpful. A fun twist and unique design on tarot!By JFThis uniquely designed tarot deck offers a refreshing and interesting change to the ordinary. As someone who has used the Rider-Waite decks, these tarot cards are enjoyable and uplifting to view and offer a different perspective as well as more opportunity to learn. This tarot deck has quickly become my favorite!

PicTarot is the character spin on all things mystical. Iconic creatures from the stars of contemporary character design reveal secret powers and tell your fortune. Following the logic of Aleister Crowley's tarot deck, the cards help you find answers to your most secret questions, your destiny or simply to make a decision. The cards present a redesign of the Major Arcana, while the cards of the Minor Arcana are classical game design with special character court cards. This way, you can also misuse the deck to play a profane game of poker. But be warned the cards magical powers cannot be tamed!
