Perfect gift for Pikmin fan hubby. By Amy Rose. Bought my hubby the game for Christmas and added this on since it's Prima who are usually great. He was very pleased with it and will be using it for his playthrough(s). He's not the type of guy to say something is good when it's not (sighhh) so I could tell it was a good purchase from his reaction as he read through it. May be able to update later once he starts the game and uses this. 0 of
