Marion Meyer : Pina Bausch: The Biography before purchasing it in order to gage whether or not it would be worth my time, and all praised Pina Bausch: The Biography:

The first-ever biography in English of Pina Bausch: perhaps the most influential performer and choreographer of the 20th century. Meyer has written an accessible, readable account, with a clear journalistic approach that penetrates the mystique and mythology surrounding Pina's life. Bausch was notoriously shy of discussing her work, yet Mayer's research is underpinned by several quotes from Pina herself, as well as members of her ensemble. As well as illuminating her personal life and her work ethic; it also takes stock of Bausch's legacy and the future for the Company she created.
