Gary Flower : Pinball (English and Spanish Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pinball (English and Spanish Edition):

A fantastic book about the iconic pinball machine, arcade games of the 20th-century. Covers theme games, celebrity-linked games, bumpers, kickers, flippers and everything else about Pinball. Includes a list of every machine ever made in the U.S., where to play, where to buy, simple maintenance, and more. Full color photos and illustrations.
