They love all of the illustrations and explanations of the various PVZ-GW characters.0 of 0 people found the following review helpful. Just okBy nick phillipsIt wasn't what I thought it was. There was not a lot of characters listed. The book needs to be updated.6 of 6 people found the

following review helpful. New Favorite GameBy James ONeillContains a lot of helpful info, but leaves a lot out. Must be putting out an advanced version? Hope it will be sooner than later!
