Randy Ingersoll : Play Hive Like a Champion, Second Edition: Strategy, Tactics and Commentary before purchasing it in order to gauge whether or not it would be worth my time, and all praised Play Hive Like a Champion, Second Edition: Strategy, Tactics and Commentary:

9 of 10 people found the following review helpful. an index would have been nice. By Joseph E. Gottman This book thoroughly covered Hive strategy and tactics. It covered everything from the basic rules to master-level strategy. There were a lot of diagrams to help the reader follow the games. My one problem was that the organization could have been improved. The section on the notation for the pillbug's move should have been in the chapter on notation, not in the introduction to the pillbug. And the discussion of which bug to play first should have been in the chapter on openings. Also, an index would have been nice. 0 of 0 people found the following review helpful. Five Stars By Customer Good book, definitely helped me understand the strategies to win at Hive! 4 of 5 people found the following review helpful.

Be a winner at Hive! By Ron Penn If you want to play Hive like a champ, get this book. It's nice and big with easy explanations and lots of illustrations. This has all the rules and tactics for the basic game as well as the expansions. (be sure you have the 2nd edition as it contains updated information on the latest expansion, the Pillbug).

SPECIAL FEATURE: Foreword written by John Yianni, designer of Hive. Second Edition has 38 pages of new material! This includes a chapter on the latest expansion bug, The Pillbug, a new chapter entitled 'Bug Placement' and additions to five existing chapters. Hive is a fun, simple, award winning, abstract board game based around an insect theme. Using over 300 illustrations taken from more than 100 actual games, this book demonstrates strategy and tactics (both elementary and advanced) that will surely turn you into a Hive Master! Written by Randy Ingersoll, the 2011 Online Hive Champion, this book covers tactics ranging from elementary ones like 'The Pin' and 'The Cover' to more complex ones like 'The Hop Around' and 'The Two Beetle Attack.' Read this book and your Hive playing skills will no doubt improve.
