Audrey Grant : Play of the Hand in the 21st Century: The Diamond Series (Acbl Bridge) before purchasing it in order to gage whether or not it would be worth my time, and all praised Play of the Hand in the 21st Century: The Diamond Series (Acbl Bridge):

2 of 2 people found the following review helpful. Another good Grant bridge bookBy Norma RockwellGot this book to advance in my bridge playing, after reading Bridge Basics 1 and 2. I'm an advanced beginner. Grant's system is

straightforward and easy to follow. I like the explanations for rules and the quizzes at the end of each chapter really help reinforce each lesson. The only suggestion I have is to add an index to help find answers to questions easier. I also bought Grant's *Bridge at a Glance*, which I love as a quick reference when I'm playing. 1 of 1 people found the following review helpful. Easy reading and very informative. By Julia LeBoeuf Great easy reading about bridge. Good play examples that build some bridge logic. I am a newbie, so I picked up a great deal of information. Audrey Grant materials were used in my bridge classes. My sister who plays bridge with friends learned a lot from the book. It is easy to re-review whenever you want to refresh a skill. 1 of 1 people found the following review helpful. Easy to understand and learn from. By D Jones My partner says my play is better and I think it is due in part to my reading this book. Great information in easy to understand examples

This is the 2nd in the American Contract Bridge League's series of bridge books for beginning and advancing players. Successfully used by students and teachers for over 20 years, this edition has been updated to reflect current standards for playing bridge. This book concentrates on the play of the hand (making a plan, promoting winners, finessing, trumping losers, etc.). The initial bidding concepts are reviewed and Jacoby transfers and slam bidding are introduced.
