This book is pretty much just a way to update one's FR 3By SergioThis book is pretty much just a way to update one's FR 3.0 books to 3.5 The Only really helpful section was the first section where it went book by book and let you know what changes, if any, were made.0 of 0 people found the following review helpful. Essential book for players of Forgotten Realms.By Estevam Augusto Ramalho Fernandes de

FernandesEssential book for players of Forgotten Realms.Complete book with all races and regions of Faerun. Paper that can not miss on a table with rpg adventures in the Forgotten Realms.0 of 0 people found the following review helpful. Four StarsBy George E. Duffy Jr.Nice book to have when playing settings of Faerun

The heroes of the Forgotten Realms are as diverse and varied as the regions from which they hail. This collection of Faernian lore and arcana allows you to create and equip an endless array of characters braced for the challenges theyll encounter. From races, feats, and spells to prestige classes, magic items, and more, Players Guide to Faern provides a v.3.5 update to the Forgotten Realms setting, reintroduces some old favorites from 1st and 2nd Edition, and offers all-new character-building material.Includes* Over 60 feats * Over 30 prestige classes * Over 90 spells To use this supplement, you also need the Forgotten Realms Campaign Setting, the Players Handbook, the Dungeon Masters Guide, and the Monster Manual.
