**Rob Tucker : Playing No-Limit Hold'em as a Business** before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Playing No-Limit Hold'em as a Business*:

1 of 1 people found the following review helpful. Great Book For Cash TablesBy CustomerI have read two of Robert's books and they are really sound poker books. Easy to read and easy to implement.0 of 0 people found the following review helpful. Detailed thoroughBy Mac OylerExtremely thorough detailed. A conservative, common sense approach to no limit that matches my style of play. The book was written by someone who has been there and done that. The

hand range discussion is great. I completely recommend it, without any reservations. 0 of 0 people found the following review helpful. Five Stars

Readers learn the new Power Hand and Patient Poker methods, powerful cash-game strategies that are used to counteract and outmaneuver the aggressive Internet-style opponents prevalent today and immediately start winning money in no-limit holdem. In one of the most powerful poker books to come along in the last few years, *Playing Holdem as a Business* shows both live and online players how to stop bluffing their money away in cash games and walk away with consistent profits. Tucker's highly detailed system teaches readers how to wait for big hands with which to trap opponents and avoid all the marginal and high-risk trouble hands that lead to losses, always keeping the reader focused on their main goal as a cash game player: profits! Tucker reveals the new Power Hand and Patient Poker methods, powerful cash-game strategies used to counteract and defeat the new aggressive Internet style prevalent today so readers can outmaneuver tough opponents and immediately start winning in no-limit holdem. Dozens of hand examples, table graphics and clear examples are throughout.

About the Author
