A woefully weak area in how to format the written page for writing and submitting a play.0 of 0 people found the following review helpful. All I Needed to Get Me GoingBy jayceeWhat can I say that has not already been said by either the Book Description, the Editorial Reviews or the other 12 reviewers. I can confirm and_that it is fully deserving of all that has been said so far. I am not a playwright, I've never been to a creative writing class, but I have a story to tell and needed the confidence and competence to do it justice. Mr. Parra has made this a very easy, understandable, relevant, and even entertaining read that I was able to do in 2 days - without the laborious boring process I had expected it to be. As the name suggests, it may not be for the advanced and experienced playwright whatever persons such as myself it is a gold mine, a solid investment and worth far more than the price, is charging for it. I would give it six stars if I could.0 of 0

Down-to-earth and practical knowledge is offered throughout, and there is no shortage of useful tips. I admire what this book accomplishes - it reminds pros and encourages beginners of the things that make playwriting worthwhile.
