These are fun for anyone who likes to use his/her brain.0 of 0 people found the following review helpful. Four StarsBy CustomerWE REALLY ENJOY IT0 of 0 people found the following review helpful. Five StarsBy TonyaAs expected - fun to work the puzzles

Each puzzle is a pictorial code for a common phrase, an idiomatic expression, or the name of a person, place, or thing. To crack the code, students look for clues in the size, position, and direction of the letters and symbols in the box.

Each 40-page book has 245 reproducible puzzles with answers.
