The Puzzle Society : Pocket Posh Brain Games 3: 100 Puzzles before purchasing it in order to gage whether or not it would be worth my time, and all praised Pocket Posh Brain Games 3: 100 Puzzles:

0 of 0 people found the following review helpful. Intriguing, enjoyable puzzles in an attractive book. By needngknittles I'm loving this little book. The book is small. It really will fit in your pocket. So the logic grids are also small -- 2 by 2 or 3 by 3 blocks. But, though they may be small, it doesn't mean they're super-easy. Some are very easy, but they range up to quite challenging, despite their size. The puzzles cover a broad range and the clues are

contrived in a variety of ways, so that each puzzle requires a different pattern of thinking to solve it. These are definitely not the kind of puzzles that will keep you pondering all afternoon; but they're perfect for a quick diversion, or, for instance -- sitting in the doctor's waiting room, or working on a bus ride, or when the tv show you're watching starts to bore you. The book, itself, is well-bound, yet designed to spread open easily, to make working the puzzles easy. I definitely intend to buy more in this series. 0 of 0 people found the following review helpful. Didn't like this book. By Love the oldies. Didn't like this book. Very small way too easy crosswords. Very disappointing as I usually love this series of puzzles. 0 of 0 people found the following review helpful. Great, minus the glitter. By E. LEA. Definitely worth the order if you don't mind the glitter. I bought these as gifts for three sons, and was disappointed that the blue stripes are GLITTERED. The picture doesn't show this, nor does the description state this. It's an understatement that I hate glitter; it gets everywhere. Thankfully, they're not picky kids and loved the books. Great mental stimulation for teens/young adults (and gets them away from phone and computer screens!).

Pocket Posh Brain Games 3 combines a wonderfully attractive package with 100 brain-teasing word and number puzzles. The Posh and Pocket Posh puzzles series have over 1.5 million copies in print since their inception in May 2008. Pocket Posh Brain Games 3 combines 100 word and number games such as Mini Fit, Pathfinder, Futoshiki, and Smart Sums to exercise your thinking skills.
