She liked it but felt it was quite a bit harder than the others I bought for her.Some of the logic puzzles were a little obscure even for me. After I looked at it a little I could see why she told me it was enjoyable to do but not as much fun as the word roundup ones.She rated it good 7.5 to 8.0

out of ten recommended but it does require more thought than the word roundup one.0 of 0 people found the following review helpful. Five StarsBy KimburI love all pocket posh items they are so fun
