Enjoyable puzzles, but font color is too paleBy StreeotrakerLove these books but don't understand why they changed the color of the print from black to a pale grey-green!!!! Very difficult to see, in the first place, since the fonts are so tiny. Almost impossible to see, comfortably, with this new font color. GO BACK TO BLACK!0 of 0 people found the following review helpful. RecommendedBy Martin JamesWife loves these. What more can I say but we will buy more of these and we recommend this to you.0 of 0 people found the
