Great, clever clues that make you consider double meanings of words. Not too many obscure pop culture references, which I appreciate. Good way for me to unwind when I have a few free moments at home and ideal size to take along on a car ride or any place I have to kill time. Eye-pleasing

covers and wrap-around elastic are a bonus too - makes me feel happy to pick it up off the table.0 of 0 people found the following review helpful. Perfect to keep in the carBy wendy merrowPerfect to keep in the car. I dig it out asap, when my husband goes into the hardware store, hunting store, take out restaurant etc. - all places that don't interest me. I am happily entertained every time, and he's back before I realize he has gone!!0 of 0 people found the following review helpful. The perfect size to tuck in your purse and have something ...By Susie JaneThe perfect size to tuck in your purse and have something to do on the go that doesn't involve you being glued to your phone. The puzzles are challenging but not too too hard. I love the pattern on the cover, very cute.
