Many Puzzles Recycled from an earlier bookBy BJCI like the Pocket Posh crossword books for pulling out whenever I need to fill in a few minutes; the small size is convenient and the puzzles not so engrossing as to make me forget my errand. This is my third PP Crosswords book. I was disappointed annoyed to realize that the majority of the puzzles were recycled from the Christmas PP published in

2010, which I had coincidentally just finished. I will buy more of the PP books, but I'm hoping that this is not a consistent trend with these books. I'm kind of surprised the publisher repeated the puzzles, as crossword folks take their puzzles seriously. 0 of 0 people found the following review helpful. Charming puzzle books By mizpractical when i have trouble sleeping i grab up one of these and solving them relaxes me. I prefer the medium difficulty and stay away from the easies . The cover designs are charming...would make a nice gift for a friend who likes crosswords or for yourself. Also the size of this one i like best, not too big or too small. Would be great for taking along on a trip. i find the tiny ones to be annoying so avoid those myself. I also find them useful as sort of a day diary when i'm trying to work through a problem and jot down my thoughts on the sidelines 0 of 0 people found the following review helpful. Handy Puzzle Book By J. Leong This small-sized (4 x 6) puzzle book contains 75 medium-difficult puzzles. I think that this book is a great buy. First, completed puzzles are included. Second, it comes with its own bookmark which is very handy for keeping track of the puzzle being worked on. Third, solving these puzzles is a great way to keep your mind sharp.
