a combination of crosswords and jumbles, the jumbles being the answers to the clues for the crosswords. Once the puzzle is done, there are letters within the puzzle for a separate jumble. Not too difficult, but not always easy either. I love the Pocket Posh books because they are so portable. Highly recommend. 1 of 1 people found the following review helpful. enjoyedBy CandiBought it for the plane trip....enjoyed it1 of 1 people found the following review helpful. Good inexpensive time killerBy J. DavisThis is a good way to pass time and stimulate the brain while away from home. Neither too easy nor too difficult. Good deal for the price.
