6 of 6 people found the following review helpful. Very disappointing By Ms. Pocketbook The cover is great but I thought it would be all about NYC since it said it was in the title. NO, it's a regular crossword book with little snippets of NYC trivia at the bottom of each puzzle. 0 of 0 people found the following review helpful. Be forewarned! By Genna H. Be forewarned, as other reviewers have noted -- this has a cool NYC cover, but the crossword puzzles have nothing to do with NYC. There's a little tidbit of facts about New York on the bottom of about half the pages... but, come on.

Not what I wanted at all. Will have to decide whether to keep or not.0 of 0 people found the following review helpful.
