A pretty way to exercise your brain By Emily LI have one of these in my purse that I whip out in waiting rooms and sometimes in church (shhhh, don't tell). My three daughters (13-8) are always immediately at my side wanting to help me so they each got their own in their stocking. They are all really pretty covers and very small--easy to keep in your purse for those moments of boredom. 0 of 0 people found the following review helpful. Neat Little Puzzle Book By Vicki The best thing about these little books is that the numbers

in the puzzles are in bold type, and can be easily seen! That helps a lot! Also, the print is clean, unlike the magazine variety.
