The covers are so cute and the little band you see in the picture CAN be taken off so it's only the fun cover. The puzzles themselves range from easy to hard so you can work your way up. The only thing I dislike about this sudoku one vs a sudoku one I had from them in the past is some of the

boxes are shaded gray. I like when they're all white but that's purely a personal preference, it won't stop me from buying, I've already bought another!
