size is just right to pack in a purse, or keep in a nightstand or the map pocket of a car. I also like the attached stretchy band that can be used to keep the book closed or as a page marker. They make nice inexpensive gifts. 1 of 2 people found the following review helpful. These puzzles are one of my favorites! By Lauren These puzzles are so fun!! It's like Sudoku in that there can only be one of each number in each row and column but there are sections which have to meet a certain math requirements such as having to add up to 10 or be multiplied together to get 18. The puzzles start at 4X4 and get up to 6X6 increasing in difficulty. Once you go through a book of these puzzles, it's hard to go back to the easier ones! So if this is your first book, then great! Enjoy! But I only do about 3/5 of them since the easier ones no longer provide a challenge.

Convenient, enjoyable, stylish, Pocket Posh Sukendo combines a wonderfully attractive package with 100 Sukendo puzzles. The Posh and Pocket Posh puzzle lines have over 1 million copies in print since their inception in May 2008. Sophisticated, stylish, and savvy. Flirty, frugal, and fun. Pocket Posh(r) puzzle books by the Puzzle Society(TM) offer an effortlessly portable, ergonomic package featuring fashionably colorful cover art, elastic band closure, and a convenient lay-flat binding that opens to reveal 100 puzzles perfect for on-the-go play. Make a splash with Pocket Posh Sukendo 2.
