Hoping Puzzle Society makes more than this one Word Scrimmage book!By DottieNJWhen I purchased my first book in the "Pocket Posh" series, I fell in love with them! Perfect size to fit in your pocket, purse, car console, etc. With the hard front and back covers, there's no

need to "find something to lean on"... Perfect for any "down" time you might have - waiting at the doctor's office, waiting in the hospital emergency room - or in your bed if admitted, waiting on line at the DMV - whether in the waiting room or in your car on the inspection line, or if you're just sitting at home bored or anytime you feel like doing puzzles. The Pocket Posh series is also wonderful because you can buy a book specifically for the type of puzzle you enjoy doing! For this particular book, "Word Scrimmage", I bought as soon as I saw it! This was the only Word Scrimmage book I found that they made... plus, there weren't many left - so I had to have it LOL. Word Scrimmage is very close to Word Jumble - but with a twist. There are a few lines on each page, each line has letters on it which you have to un-jumble to spell a word (each letter has a scoring number at the bottom, like a scrabble tile), each word - depending on size - you add up a "score", once you score all the lines on the page, you add up all the line "scores" to get your "total score". At this point, you can go to the answer section of the book to see if you got a perfect score or how close you came to getting one! Also, even though each line has 7 letters, it doesn't necessarily mean the answer is a 7-letter word... this makes the game a little more challenging, but a lot of FUN! (And 7-letter words give you a 60 point bonus!) 0 of 1 people found the following review helpful. Word puzzles for my Grandma By Mrs. Smith I bought this for my Grandma as she likes daily word puzzles to keep her brain active. This is her favorite type, I just wish there were more books. Once she get through this one I will have to find something like this with difference words.

As convenient as it is stylish and as enjoyable as it is fashionable, the Pocket Posh Word Scrimmage puzzle book features a cover with a contemporary tactile design and comes in a handy 4" x 6" size, making it a smart, sophisticated accessory that goes with anything. It also fits nicely into a purse or pocket. The Pocket Posh Word Scrimmage puzzle book is a great way to exercise your mind--and look great while doing it!
