A Gorgeous Hardcover Pokemon Historical Guide By Mr. Hammer The sneak peak - "look inside" above from does not do this book any justice. That must be a look at the Kindle version of the book. This book is actually a Gorgeous Hardcover Pokemon Book with a gold-foil cover. It looks awesome on your coffee table. Pojo printed a popular Big Book of Pokemon about 15-20 years ago. It's cool to see them do another book for the 20th Anniversary. What's inside? There's a huge 40-page timeline that covers the first 20 years of Pokemon. This will bring back a lot of fond memories for the older crowd. Trading Card Game: There are reviews of the Top 100 Pokemon Cards of all-time by Jason Klackzynski. the powerful cards from the past, and booster pack artwork. Video Games: A detailed look at the Top 10 Pokemon video games of all time. There is also an awesome article of the Top 10 Video Game Pokemon by Type (Grass, Fairy, Steel, Water, etc.). This is really cool for helping build teams in your video games. Anime: There is a Who's Who in the Pokemon World. Bite-sized bios of over 400 recurring characters in the Pokemon cartoon. Pokemon GO: 20 Tips and Tricks There are hours of reading in here for any Pokemon fan. This would make a great gift to young or older fans.
