Bill "Pojo" Gill : Pojo's Unofficial Dragonball Z Cards Simplified: A Player's Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Pojo's Unofficial Dragonball Z Cards Simplified: A Player's Guide:

1 of 1 people found the following review helpful. Everything you need to know about DBZ CCGBy JCSI bought this magazine after Panini rereleased the DBZ card game. This is perfect for anyone who wants to catch up on old strategies for the game as well as knowing the top decks and cards from the Saiyan Saga through the World Tournament Saga. Obviously the new game has slightly altered rules but this magazine is still a great book since the old strategies translate to the new game.1 of 1 people found the following review helpful. Five StarsBy ladybugPerfect.2 of 2 people found the following review helpful. matthewlow chimes in... Get this book!By A CustomerI'm Matthew Low, better known on both Pojo.com as the person who techs decks and stuff like that. I wrote one of the articles in this neat book; the Videll deck, dedicated to my sister.This is one of the best things you can get if you want some tips starting out. Of course all card game books get outdated from time to time, but this one is all you need to catch up to right before Buu Saga. People like the almighty IQ and accomplished veterans like Zeller, Williams, and Fashbinder give their ideas. Most of the people included in this book (not all) are of the greatest there are in the game; take their advice.It helps the person wanting to start out with a bunch of nothing, like the Cheap decks, to the tournament level ones like Richie's outdated Cell Namekian. More or less the decks are still good for the most part; make sure you swing by dbzcardgame.com and find any changes that have sprung up in the last few months.If anything, read the articles. They are by far the most useful things you can read to help you in this game. The

decks will get you started. After all, this is a beginner's book. If you are ready to go to the advanced/expert level, feel free to email me (go find my address in my article ^_^) for a deck tech or some tips. So... I say get this book, especially if you need some help in the game of DBZCCG. It has a wealth of information you won't find ANYWHERE else. Get this. I said so.

Pojo's Unofficial Dragonball Z Cards Simplified: A Player's Guide by Bill "Pojo" Gill ISBN: 978-1-57243-600-8 96 pages 8 1/2 x 11, Paperback pub date 2003-09-01 hundreds of all-color images Inside you'll find tips to improve your game play, learn how to unleash secret card combinations that could help you totally destroy your opponents and learn what your collector cards are really worth.
