Pokemon Company International : Pokemon Black Version 2 Pokemon White Version 2 The Official National Pokedex Guide Volume 2: The Official Pokemon Strategy Guide (Prima Official Game Guides: Pokmon) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pokemon Black Version 2 Pokemon White Version 2 The Official National Pokedex Guide Volume 2: The Official Pokemon Strategy Guide (Prima Official Game Guides: Pokmon):

1 of 1 people found the following review helpful. A Great National DexBy Fred GarvinI needed a National Dex, so I bought this. Along with the new Dex for Kalos, all the Pokes are covered. This one is a big book, larger than the new Kalos one and it has tons of stuff besides the Dex. Great reference addition to my library.I wish they would come out with a new and current Dex....something big and nice, hard bound....that's just a Dex and reference stuff (item table, berry chart, moves, egg moves, breeding, etc) but complete with all Pokes.1 of 1 people found the following review helpful. Just everything you need and much more!By Saulo HageIt is such a complete Pokedex. It has everything you need to know about Pokes, including where to find, abilities, tips for training and maximizing stats, etc. It is very well organized. The only downside is that it has some informations already included in Poke White/Black 2 Guide Vol. 1. But I think it is like an extra, not a waste of space, even because the book is huge with hundreds of pages.Very recommended, whether you want just complete the game, complete it with 100%, or battle competitively online and so.0 of 0 people found the following review helpful. Three StarsBy Jonnot the actual game guide.

The latest, most up-to-date National Pokdex, including newly revealed Pokmon Tips and strategies on training and battle to help you master the games Insider info on Pokmon moves and Abilities in the new games A spectacular full-color Pokmon poster A password to get a special Gothorita with the Hidden Ability Shadow Tag
