By Josh Carlson For real, I have been a fan of Pokemon and this game has gotten my attention ever since it announced it launching. This book has given me the basic and easy steps in becoming one of the greatest Pokemon Go gamers! The tips and tricks, even the strategies here are really helpful. I am so excited reading this book and learning the techniques and the important things that I should do for me to improve on my play. I enjoyed the way this book is being illustrated. It's fun to see real pictures of the real game which makes it more helpful. Full of knowledge, facts and excitement. 1 of 1 people found the following review helpful. Great tips! By Michael S. While everyone seems glued to their phones nowadays, sometimes you will see people both staring at their phones, running, and screaming wildly. What are these people doing you ask? They are playing Pokemon Go, the latest and greatest game craze. If you don't know what this game is, then this is the book for you! It has all the instructions, tips, and tricks to get you started having fun with Pokemon Go. 1 of 1 people found the following review helpful. Helpful for grandma By booklover Besides explaining the aspects of the game, websites with more info was included. Great little book for beginners with little knowledge of Pokemon
