Become a Pokemon Go Master in minutes!By KrystallyneI am a long time Ingress player and when Pokemon Go suddenly became such an overnight sensation, claiming to be an app that got kids off their butt and outside in the world trying to capture creatures and collect items, I knew I had to investigate. Sure enough Pokemon Go is just like Ingress but finding a comprehensive guide that explains how to play

was almost impossible to find until I discovered this on . This guide is all you need to be able to play Pokemon Go like a pro. It has hints and tips to help you learn how to find, catch and train your Pokemon so you can battle other trainers and advance levels quickly.4 of 4 people found the following review helpful. It starts with installation of the app and then explains all of the things encountered in the app. Overall, this a great guide for anyone interested in improving their Pokemon Go skills as well as their chances of seeing rare Pokemon.Rather than searching all over the web, buy this book as it puts all of the necessary information in one neat, easy to read package.2 of 2 people found the following review helpful. Very limited information and outdated.By DarleneAD5This book contained very basic information that my 7 year old figured out on his own after simply playing the game a couple of times. I was hoping for some information on the Pokmon available, their evolution charts, tips on what types to battle against each other. This book provided only the basics of gameplay, which you learn through the tutorials in the app. Some of the information is also outdated and doesn't apply anymore. Disappointing.
