Five StarsBy CustomerGreat starter book for our young Pokemon fan.1 of 1 people found the following review helpful. Good bookBy ryan eshbaughGood book with good information. I would have given 5 if it would have gone into more detail regarding playing the card game.

The official guide to the game that's sweeping the country. This brief introduction to the phenomenal Pokmon trading card game tells you how to play the game, offers strategy tips, explains the Pokmon Trading Card Game League, provides information for parents on the educational benefits of the game, explains the basics of card trading, and gives the answers to many frequently asked questions about the game. The book is divided into sections for kids, for parents, and a section for parents and kids to read together.
