The Puzzle Society : Posh Crosswords 100 Puzzles (Pocket Posh) before purchasing it in order to gage whether or not it would be worth my time, and all praised Posh Crosswords 100 Puzzles (Pocket Posh):

1 of 1 people found the following review helpful. Posh is fun! By JuJoDuDo Posh Crosswords are the most fun crosswords. The clues and solutions are not only challenging, they are clever. It's not your typical newspaper crossword. You actually have to think a little harder on some of these, which makes it fun to solve. I try to do one before bed every night, but I don't always finish it. I also do USA Today crosswords, which I can usually complete in 15-20 minutes. Posh Crosswords seem to take me a little longer. I mention this because I know there are crossword gurus out there and I think they will know what level these crosswords are if I compare them to the USA Today. Also check out Pocket Posh Crosswords. These are great for when I am in waiting rooms and such. 0 of 0 people found the following review helpful.
