**The Puzzle Society : Posh Crosswords 2: 75 Puzzles (Bk. 2)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Posh Crosswords 2: 75 Puzzles (Bk. 2):

They're proven to stave off Alzheimer's and keep your brain healthy, so I do them often. A little book like this is perfect for someone like me. It can easily fit in most purses and the cover is lovely. The pages are of good

quality and are easy to write on. However, there was one major flaw with this product. After about a month of use, the spine of the book began to pull away from the page. It was simply glued on, and it couldn't hold up to being held open often. Soon, all the glue was falling off, and I was holding the book together with a binder clip. It's hard to enjoy the crosswords inside when the binding is falling apart in your hands. So, while the crosswords inside were good, the poor construction of the book just depressed me. 0 of 0 people found the following review helpful. fine, ThanksBy Steve Smith...fine, Thanks! 0 of 0 people found the following review helpful. Great for traveling or waiting rooms! By Martiel bought this after seeing it in a magazine and found it very nice for traveling...the harder cover makes it great and it's a good size for your purse or carry on. Good puzzles too!
