Glasgow What it lacks in volume (only 30 pages in length) it more than makes up for it by way of a slew of grammatical errors and a complete lack of pictures, tables or charts. I was very disappointed. 0 of 0 people found the following review helpful. Stay away By D. Csontos Horrible product - do not waste your time. Book is barely legible and written in terribly broken

English.

This book contains proven steps and strategies on how to become a truly amazing pot limit Omaha player. This is a very popular poker game that is similar in nature to Texas Hold Em but it is a bit different in some elements. This is a game where you have to have the best hand possible using only two cards that you obtain. It is a game that is featured in 8-game and in popular casinos. If youre the type of person who loves to have a ton of fun with gambling, poker, and learning a fun card game, then this is for you. Pot limit Omaha has a lot of great benefits that you can get from this, and its a game that anyone who wants to become better at card games should know about. It is the second most popular game in poker in the world. It has an increased popularity over the last few years. Its a game that has become familiar as of late, and after some people try it, they really like it. This is a game that allows more action to happen between players, and you can certainly have a lot of fun with it. This book will show you not only a couple of interesting tidbits about it, including what it is and the history, but also how to play it and some amazing strategies to help with this.
