Isha Lerner : Power of Flowers before purchasing it in order to gage whether or not it would be worth my time, and all praised Power of Flowers:

5 of 5 people found the following review helpful. Flower Essence MagicBy Lorraine CastroIsha Lerner is my hero when it comes to understanding the potential of flower essences. This book is poetic and beautifully written. Each essence is discussed in terms of the flower's history, the archetype associated with it, practical application and great stories about her own experience with the essence. The deck of Flower Power cards that go along with it make it easy to apply your understand the application and combinations of essences. I have clients choose cards that intuitively

indicate the essences they need. Isha is unparalleled in this arena. If you want to work with the beauty and magic of flower essences, this is the book for you! Lorraine Castro, LMFT 1 of 1 people found the following review helpful. Flower Power! By Agnes Dean Very small cards and booklet, but messages clear and well-written. 3 of 3 people found the following review helpful. pleasant. By revmeyer the book is a pleasure. however my order was incomplete. i had believed i ordered the book with the accompanying deck of cards and only the book was delivered. it was a gift to a family member. the book is best enjoyed with the card deck.

Thirty-two strikingly illustrated cards, rich in beauty and symbolism, interweave images of flowers with corresponding universal archetypes. Isha Lerner takes the reader on a magical journey into the feminine soul of nature.
