**Barbara Seagram, Linda Lee : Practice Your Bidding: Splinter Bids** before purchasing it in order to gage whether or not it would be worth my time, and all praised Practice Your Bidding: Splinter Bids:

3 of 3 people found the following review helpful. Outstanding.By Lbernal can't praise this book enough. Thorough explanation of splinters. A huge amount of sample hands with good explanation of the bidding. I go over the sample hands about once a month just to refresh my memory. I wish there are other books like this that are devoted to lesser known conventions, e.g., new minor forcing, fourth suit forcing, forcing no trump, inverted minors, etc. These

conventions don't come up with any frequency that I need a book dedicated just to keep proficient.

Based on Barbara Seagram's best-selling *25 Bridge Conventions You Should Know*, each book in this series offers the opportunity to learn more about a common convention and to practice it on your own or with a favorite partner.
