Butch Thomas : Pre-School Bid Whist Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Pre-School Bid Whist Coloring Book:

This Pre-School Bid Whist Coloring Book is for children, ages 4-7. The focus is on learning shapes, card symbols, following directions, recognizing colors and introducing basic Bid Whist concepts. The prime directive is to encourage

small kids to use their imagination, to color inside and outside the lines, and to play face to face with friends. The learning bonus is the introduction to the world of playing cards. As Pablo Picasso himself said, "Every child is an artist. All they need is a little encouragement. Simply put, there is something very moving about children coloring in a book. It is so simple, and so much FUN!
