Us Games Systems : Presidents Deck II (History Channel) before purchasing it in order to gage whether or not it would be worth my time, and all praised Presidents Deck II (History Channel):

Educational and FunBy GeppettoMy sister and I (both about 70 now) talk about the old "Authors" card game we played when we were little and how we still remember all the authors and their novels. So I checked to see if the product still existed. Voila...the authors series did as well as this Presidents Card Game and others. I ordered the Presidents and the three pack of authors and enjoy this simple (like Old Maid) but VERY educational game.0 of 0 people found the following review helpful. Great game.
