A unique reference that lists and details over 2,000 transactions occurring at public auctions and private sales from

1979-1992, with the majority of the reported transactions occurring since 1987. Information is arranged alphabetically by planemaker (over 600 are covered) and then by imprint type (619 imprints are illustrated). Each transaction is listed by date (most recent transactions first), source (auction or private sale), a description of the plane, its condition and the price it sold for.
