It has a nice hard cardboard cover perfect for toting on the go or just everyday use. I like to keep ours in the kitchen for dinner riddles! There are riddles to figure out as well as some puzzle to fill out and complete. There are a lot of riddles that end "What am I?" Perfect for ice-breakers, getting the family to work together and just working your brain out! There is even an elastic strap to keep the book closed or mark your spot. All the answers can be found at the end of the book.0 of 0 people found the following review helpful. Love this book!!!!By Living a Fit and Full LifeProfessor Murphy's Brain-Busting Puzzles Riddles: Over 150 Brain-Training Challengesby Parragon Books

makes for some incredible fun! My family and I love puzzles and riddles and this book is filled with over 150 Brain-Training Challenges to keep kids busy. Professor Murphy's Brain-Busting Puzzles Riddles: Over 150 Brain-Training Challenges by Parragon Books gets kids thinking which is something this homeschooling mom of 4 likes! I've been using Professor Murphy's Brain-Busting Puzzles Riddles: Over 150 Brain-Training Challenges by Parragon Books in the morning with my kids and it really helps to get their brains going in the morning. Professor Murphy's Brain-Busting Puzzles Riddles by Parragon Books is perfect for keeping kids busy and would make a fantastic gift!

By Stephany B  
My sons are 11 and 13 and they really enjoyed the Professor Murphy's Brain Busting Puzzles Riddles. These puzzles are easy enough for younger children like mine, but at the same time challenging enough that a few had me stumped...until we found the answer. Some of them are funny, some of them are confusing, and some of them are just plain for training your brain. Seeing my teen/tween sons having fun with a book was the best feeling ever...I'm one happy mom over here! No electronic cords, no screens to stare at, just a good old fashioned book in hand, nothing could be better.

Gather the family together and have fun fathoming this exciting collection of brain-teasing puzzles and riddles. Get your thinking caps on as you'll need to crack the conundrums, untangle the teasers, and explain the enigmas! This fantastically fiendish trivia collection includes timeless favorites, new twists on old classics, and brand new brain-teasers. So put your puzzle-solving skills to the test today!
