RitenourGranted I've only played BJ at a casino 5 times, but using this book's scheme for betting, I've always came away with more than I started: Not always much more, but enough to pay for my gas and a meal at least. I wish I could try it more but with the casinos near me having \$10 minimum bets, the book says I should have \$400 reserves and I don't have that kind of money.
